To Correspondents.

A Biographical Sketch of the late Andrew Fuller, of Maine; also Philologus on Heb vi. 4—6; and a communication on the Importance of Spiritual Mindedness in christian Ministers, will appear in our next.

Several other interesting articles are necessarily deferred for want of room.

In a future number we expect to enrich our pages with a very interesting memoir of Elder Ebenezer Smith, of the State of New-York, written by himself at the age of eighty-six.
